

ROCK POINT

RIVER WHITE

92% Riesling & 8% Muscat

River Rock White is a refreshing aromatic white wine with intense fruit aromas and flavors of peach and apple. The taste is crisp but not too acidic due to the light sweetness.

An appealing blend of Riesling and Muscat, the two juices are co-fermented at low temperature and in stainless steel to retain their crisp acidity and floral aromatics. After 5 months of aging the wine is fined, filtered and bottled.

Enjoy with Chicken Pad Thai, a pair of Baja fish tacos, or simply savor as a clean finish to any meal with friends.
